

Saanich Peninsula Parish Association of Peninsula Christian Churches (APCC)

Annual Report - June 2010

The above named association came into being in the year 2000 to bring Peninsula Christian Churches together to celebrate the millennium. The first Ecumenical Good Friday service took place at Parkland High School that year and has since become an annual event, except for this year.

There are 18 churches on the Peninsula who belong to APCC. Our Parish is represented by Jeanette Hughes (Treasurer), Cathy Keats (Recording Secretary), myself, Ned Nedzelski and Father Rolf who is a strong supporter of the Association and attends meetings when time permits.

Unfortunately, the traditional annual Good Friday Walk followed by a service at the Mary Winspear Centre was not held this year, the reason being that there was no one to chair the event. It is hoped that the walk and service will be re-instated for 2011.

I would, however, like to add that some members of our Parish attended some other notable services, namely, The World Day of Prayer held at The Seventh Day Adventist Church and the Good Friday walk and service at St. Stephen's Anglican Church with whom we have a covenant.

I would like to make note that our Parish is very fortunate to have Jeanette and Cathy, who over the years, have contributed greatly of their talents and dedication.

Respectfully submitted,

Ned Nedzelski
